A GREAT REMEDY!

Such's California Asthma Cure! I have been subject to severs coughing spells, especially in the morning, as soon as I would swake. This cough at lest terminated in a most severe stack of satimathis being a disease hereditary to our family. Last August, 1872, I was seized with a most severe stack of antima. I coughed so much that it seemed to take away all strength. I could eat nothing without its giving me severe pain in the chest and lungs. I called in a doctornook his medicine but to no purposes. I was recommended to go bito a warmer climate, and I went to San Jose, but change of climate had no effect, and when I lett San Jose I sever expected to recover. I finally tried this remedy, which gave such reflect at once that I continued taking it and it effected a complete and radient cure. I am now as hale and hearty as I ever was in my fife. I have recommended in to others, and it invarisbly produced the same happy results. I now recommend it to the public, because I believe, as a reme dy for asthma, it has no equal.
